INITIATIVES BY THE IQAC IN SENSITIZING/PROMOTING RESEARCH CLIMATE

The IQAC continuously monitors and strives to inculcate Research culture in all its constituent institutions. Following are the salient features:

- By organizing Periodic Workshop on Evidence Based Edu Students / Residents and Teaching Faculties
- By conducting Workshops and Seminars on Synopsis Writing, Biostatistics, Intellectual Property Rights (IPR), Interface with Scientists etc. for Students and Teachings
- The Teaching Faculties are involved in Guiding and Supervising Master's Dissertations, and Student Research Projects
- The faculties are motivated to participate in Short Term Programs , research programs of AICTE.
- The Teaching Faculties will help and guide the undergraduate students in designing various types of research studies .
- By giving incentives to the Teaching Faculties for publishing Research studies in Indexed and High Impact factor Journals and also for Attending and Presenting Faculty Development Programmes outside the campus.
- By providing Infrastructure and financial support to organize International / National / State level Conference/ CME / Seminar / Educational training and workshops etc.
- By encouraging Students and Teaching Faculties for Collaborative Research with other reputed National Research Institutes.

All information related to students is collected by teacher guardian who includes Name of student,

class, blood group, religion, mother's name, mobile number, parents contact number, temporary and permanent address, date of admission, type of admission, carrier interest, hobbies, academic performance of last year. Scholarship details, etc. Amount of fees deposited, date of payment, pending fees, concession details if any, signature of accountants data is filled by student under details of fees deposited. Account section has all deposited and pending fees data which is filled by students.

Subject wise attendance record was maintained on monthly basis for each semester by teacher guardian. Also, progress report for internal marks subject wise, day to day in semester assessment, sessional marks are recorded under progress report. Progress of student can be assessed by teacher guardian and can divide students into slow and advanced learners. Chart making activities, self-learning, experiential learning, model making activities, assignments are organized for slow learners for their improvement. GPAT sessions, competitive examination preparation, Value added courses, research projects, seminars and poster / oral presentations are organized for advanced learners. Advanced learners will get enrolled for higher education, marketing jobs, hospital pharmacist, etc.

Parents meet conducted by teacher guardian records are also mentioned which includes issue discussed with parents signature. This meeting has interaction between teacher guardian, parents and students. Parents can get progress of their ward and extra activities conducted in college.

Constraint / Limitation of this practice are time consuming. Students gather together for filling data is quite difficult task for teacher guardian. Students sometimes not submitting students' academic profile cards on given time.

5. Evidence of Success

Student's details about personal, parents, fees, attendance, progress and parent's records data are maintained for every year by teacher guardian. Identification of economically background students is quite simple task and motivates students to apply for various scholarship schemes. Fees details data is ready for account department. Teacher guardian can identify Slow and advanced learners and enrolled them into different tasks for their betterment. Students are having scope for better performance in examination and to get good score. Parents meet has good interaction between parents, students and teacher guardian and parents can know performance of their ward.

6. Problems Encountered and Resources Required

Students should present in college to fill records. Virtually not possible to fill cards. Marks and attendance filled by students should be verified by staff. Also fees details written by students should be verified by account department. In pandemic condition teacher guardian meeting and parents meeting are conducted by online mode using

ICT tools like Zoom app, Microsoft team, Google meet, Google form, etc. All data are maintained by teacher guardian and submitted towards academic in charge after each year and two semesters.
