2.5.1 Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient

Response:

For internal examinations

- Academic monitoring committee prepares tentative academic calendar including examination dates at the start of academic year. Based on academic calendar, the college examination committee prepares timetable of internal examinations 10 days before commencement of examination and display it on notice board for information to students and staff.
- The confidential invigilation schedule is prepared and communicated to staff through notices.
- The respective subject in charge submits soft copy of question paper on examination mail id only four days in advance.
- The CEO takes out prints of question paper 1 hr. before commencement of examination on the day of examination and hand it over to respective invigilator at the time of examination.
- After examination, answer sheets are submitted in examination control room. The individual subject teacher then collects the answer sheets for evaluation.
- The internal squad and invigilator maintain strict vigilance during the examinations to avoid any malpractice by the students.
- The exam control room as well as all classrooms are under CCTV surveillance.

For External examinations

- University uploads timetable on university website and college Exam committee displays it on notice board for information to students and staff.
- Confidential invigilation schedule is prepared and communicated to staff through notices.
- Internal senior supervisor, custodian, etc. are appointed by Principal as per university guidelines.
- External Senior Supervisor for theory and examiners for practical are appointed by university for smooth, efficient, transparent and time bound conduct of examinations.
- University uploads the question paper on university exam portal 1 hr before on the day of examination, OTP is received on mobile of CEO and Principal to download Question paper.

Dist.-Pune 412109

- CEO confidentially downloads question paper in exam control room in presence of senior supervisor and hand overs question papers to respective invigilators at the time of examination.
- University squad gives surprise visits to exam centre during examinations.
- After examination, sealed bundles of answer sheets are sent to respective central assessment program centre for evaluation.

STUDENTS GRIEVANCE REDRESSAL SYSTEM

- For internal examinations
- The respective subject in-charge evaluates the answer sheets within specified period which are shown to students to check any discrepancy. The students are explained about marking system and evaluation. If anyone have any doubt, clarification is given by subject in charge and correction is done if needed.
- If student is not satisfied with clarification, there is provision to refer it to Examination Department to be solved by senior faculty, HOD and Principal. After solving queries of students, the marksheet of internal sessional examinations is displayed on notice board.
- The marks of internal sessional exam are confirmed from students by getting signature on bound register and the same are communicated to the university.
- For External examinations
- After declaration of university result, if students have any discrepancy in result of any subject, then he/she can apply to photocopy of subjects. Photocopy is issued by SPPU to students. Photocopy is shown to senior faculty/HOD to clarify his doubts, then if needed he/she can apply for revaluation to university. After revaluation university declares the result.
