MAIN REPORT

REPORT OF CELEBRATION OF SWACCH WARI-SWASTH WARI, NIRMAL WARI-HARIT WARI

DATE : 29th June 2020 To 6th July 2020.

VENUE : Near volunteer home, College campus

Number of Volunteer participated: 50

OBJECTIVE: Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil, and supporting wildlife.

SUMMARY: With the Direction of NSS Department, Savitribai Phule Pune University, Pune, Ms- Kanchan Shantaram Bhalerao Siddhant college of Pharmacy College Pune had organized **state level SPPU & NSS virtual wari 2019-2020** under this various Activity performed like **Swachh wari** (cleanness activity, Awareness of covid -19), **Swasta wari**, **Blood donation Awareness**, **Harita wari** (tree plantation), **Nirmal wari** (Spitting awareness) activity performed by NSS Volunteers under NSS department at their own place and surrounding places from **29th June 2020 To 6th July 2020**. In this activity 50 student participated. Tree plantation is important aspect because Tree plantation is significant because it is linked to **our basic need for good food to eat and clean air to breathe**. Aside from these necessities, they preserve biodiversity, conserve water, preserve soil, and control climate, among other things. From our college most NSS volunteers were enrolled for this Awareness Program on the basis of undertaking and NSS regular activity. In addition, teaching staff's Guided the NSS volunteers for different activities. "The 'Swachh wari-

Swasth Wari- Nirmal Wari –Harit wari’ campaign is important for maintaining the balance of the nature. The efforts taken by the national service scheme (NSS) students for making the record of distribution, planting and caring of the Neem saplings (Azadirachta Indica) and registering it with Guinness Book of World Record had brought the name of India on the global map. All those who have participated in this campaign had created history”.

All the activity report has been uploaded on SPPU Facebook page.

SUMMARY REPORT

(SAVE GIRL SAVE CHILD)

DATE: -05/03/2021

VENUE: Virtually conducted due to COVID-19 pandemic situation.

OBJECTIVE: Aim of this session is to generate awareness and improve the efficiency of welfare services intended for girls in India.

SUMMARY: Our speaker Dr. Anjali Bhusare Associate Professor from Chetana Arts Higher College, Aurangabad. she told about save girl child. she told the girl child is an important pillar of a developed society. The movements like bet bachao beti padhao, girls education, save girl child are of essential importance. Women are considered inferior to men and are treated unfairly. Instead of providing basic rights to women and girls they are degraded, the rate of sexual harassment rape, gender discrimination, female feticide and dowry death is increasing. There is increasing female feticide and girls dropout rate in schools, colleges and universities in many countries. Unfortunately the potential and creative abilities of women and girls are wasted. Due to old dated customs and traditions they are used as tools to cook, wash and do domestic chores. It is very important to equalize women with men, girls with boys. They must be protected, provided basic rights like proper education, proper health care and proper attention. There must be gender equality in the society so that girls get chance to succeed and excel in life. Due to inequality and discrimination girls and women are leading a miserable life. Many countries have taken initiatives and steps running several schemes and movements to save and protect girl child.

Specially in India in 2015 a scheme named as "Beti Bachao, Beti Padhao" means save girl child and educate girl child was launched in order to empower girl and to eliminate gender inequality. It is high time to aware people to save girl child. Girl child is entirely unsafe inside and outside the womb of Mother. At last Mrs. Rani Divekar madam say vote of thanks to Dr. Anjali Bhusare madam.
