UNITY DAY

DATE: -31/10/2022

VENUE: Siddhant college of pharmacy seminar hall

OBJECTIVE: It provides an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country. The National Unity Day also aims to spread awareness about Sardar Vallabhbhai Patel's contribution to Indian history.

SUMMARY REPORT:

National Unity Day or Rashtriya Ekta Diwas is celebrated every year on 31st October since 2014 to mark the birth anniversary of Iron Man of India – Sardar Vallabhbhai Patel. This year marks the 144th birth anniversary of the freedom fighter and an ace politician. Sardar Patel played a major role in the integration of India (Ek Bharat) from over 560 princely states. To acknowledge his efforts in uniting the nation, India celebrates National Unity Day on his birth anniversary. The program was started with the lamp lightening. Lamp lightening was done by the hands of our Respected Principal Dr. Rahul Dumbre Sir, HOD Dr. Swati Deshmukh Ma'am and OS Navnath Gade Sir. The celebration commenced by invoking God's blessings. The essence of the day was highlighted by a meaningful cultural program by the teachers. Dr. Swati Deshmukh Ma'am gave a speech like, Sardar Vallabhbhai Patel, an icon for National Unity was fondly remembered. His vision for the Nation was articulated by the teachers taking a pledge striving towards "Ektha". Deepali Gaikwad Ma'am spoke of the man Sardar Vallabhbhai Patel who played a crucial role in the unification of India. The teachers dressed in traditional attire of different States of India did a cultural ramp walk, to spread the message of unity in diversity. Teacher Suma Saji compered the programme. The short yet significant programme etched the spirit of "Ektha" amongst all. The senior students also took the pledge of unity during their class. Our faculty Mrs. Pansare sang a song on Nation.

E WASTE DRIVE FOR THE E WASTE MANAGEMENT,

DATE: 25/01/2023

VENUE: Siddhant college of pharmacy

OBJECTIVE:

Feeling of compassion, kindness, empathy and service to the society

SUMMARY: Siddhant College of Pharmacy, Sudumbare Celebrated “E Waste drive (25/01/2023)” The programme was initiated by Mrs. Swapnali Girme shared information regarding E-waste management. E waste contains several substances such as heavy metals, plastics, glass etc., which can be potentially toxic and hazardous to the environment and human health, if not handled in an environmentally sound manner. E-waste recycling in the non- formal sector by primitive methods can damage the environment. Students and teaching staff brought defective electronic devices such as keyboard, mouse, cables, laptop etc for E waste management. Students participated in this programme along with teaching and non-teaching staff. We are grateful to our Management for their timely support and also to our Principal Dr R. K. Dumbre Sir and HOD Dr. Swati Deshmukh madam guided us to conduct this programme. The programme was successfully conducted by Social activity committee.

UNITY DAY

DATE : 06 Dec 2021

VENUE : Seminar hall of Siddhant college of pharmacy

OBJECTIVE:

It provides an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country.

The National Unity Day also aims to spread awareness about Sardar Vallabhbhai Patel's contribution to Indian history.

SUMMARY:

National Unity Day or Rashtriya Ektha Diwas is celebrated every year on 31st October since 2014 to mark the birth anniversary of Iron Man of India–Sardar Vallabhbhai Patel. This year marks the 144th birth anniversary of the freedom fighter and an ace politician. Sardar Patel played a major role in the integration of India (Ek Bharat) from over 560 princely states. To acknowledge his efforts in uniting the nation, India celebrates National Unity Day on his birth anniversary.

We celebrated the “National Unity Day” on 1st Nov. 2022. The celebration commenced by invoking God’s blessings. The essence of the day was highlighted by a meaningful cultural program by the teachers. Sardar Vallababhai Patel, an icon for National Unity was fondly remembered. His vision for the Nation was articulated by the teachers taking a pledge striving towards “Ektha”. Deepali Gaikwad ma’am spoke of the man Sardar Vallabhai Patel who played a crucial role in the unification of India. The teachers dressed in traditional attire of different

The acting principal of the college, Dr. Rahul Dumbare said that if we want to defeat corona, then it is necessary to get ourselves and our family vaccinated, vaccine is your protective shield to fight the corona epidemic. He said that by developing a collective immunity by getting more and more vaccinations, we will be able to save the society from the coming danger of corona in future. Apart from this, habits like covid style like mask, two yards, hand and mouth cleaning are very important even after vaccination.

As per the suggestions of Dr. Rahul Dumbare sir, Principal sudumbare and administrative department of SCOP sudumbare to provide timely benefits of corona vaccine to more and more people. We NSS Department were organized Vaccination camps on 31th August 2021, 7th September 2021, 13th September 2021, 27th Oct 2021 and 2nd Jan 2022 at Z.P. School of Sudumbare, Asmita Bhavan, Siddhant college of pharmacy. This vaccination camps were organized for the persons aged 18 years and above members participated and got immunization done. 1548 people were vaccinated under this camp, which was encouraging for the organizers of the camp. NSS volunteers played an important role in making this camp a success.

On 27th October 2021, we nss department of scop gave heartiest appreciation towards all Vaccination camp team like doctors, nurses, members, counselors for their great cooperation and supports. We also thankful to gram-panchayat sudumbare for support.

SUMMARY REPORT

(CONSTITUTION DAY)

DATE: -26/11/2020.

VENUE: Virtually conducted due to COVID-19 pandemic situation.

OBJECTIVE: The main objective of Constitution Day is “to bring awareness on the importance of the Indian Constitution and its architect, Dr B R Ambedkar.”

SUMMARY:

Constitution Day (Samvidhan Divas), also known as **National Law Day**, is celebrated in India on 26 November every year to commemorate the adoption of the Constitution of India. On 26 November 1949, the Constituent Assembly of India adopted the Constitution of India, and it came into effect on 26 January 1950.

The Government of India declared 26 November as Constitution Day on 19 November 2015 by a gazette notification. The Prime Minister of India Narendra Modi made the declaration on 11 October 2015 while laying the foundation stone of the B. R. Ambedkar's Statue of Equality memorial in Mumbai. The year of 2015 was the 125th birth anniversary of Ambedkar, who had chaired the drafting committee of the Constituent Assembly and played a pivotal role in the drafting of the constitution. Previously this day was celebrated as Law Day. 26 November

SUMMARY REPORT

(SAVE GIRL CHILD)

DATE: -05/03/2021

VENUE: Virtually conducted due to COVID-19 pandemic situation.

OBJECTIVE: Aim of this session is to generate awareness and improve the efficiency of welfare services intended for girls in India.

SUMMARY: Our speaker Dr. Anjali Bhusare Associate Professor from Chetana Arts Higher College, Aurangabad. she told about save girl child. she told the girl child is an important pillar of a developed society. The movements like bet bachao beti pardhao, girls education, save girl child are of essential importance. Women are considered inferior to men and are treated unfairly. Instead of providing basic rights to women and girls they are degraded, the rate of sexual harassment rape, gender discrimination, female feticide and dowry death is increasing. There is increasing female feticide and girls dropout rate in schools, colleges and universities in many countries. Unfortunately the potential and creative abilities of women and girls are wasted. Due to old dated customs and traditions they are used as tools to cook, wash and do domestic chores. It is very important to equalize women with men, girls with boys. They must be protected, provided basic rights like proper education, proper health care and proper attention. There must be gender equality in the society so that girls get chance to succeed and excel in life. Due to inequality and discrimination girls and women are leading a miserable life. Many countries have taken initiatives and steps running several schemes and movements to save and protect girl child.

Principal
Siddhant College of Pharmacy
Sudumbare. Tal.-Maval,
Dist.-Pune 412109.

Specially in India in 2015 a scheme named as "Beti Bachao, Beti Padhao" means save girl child and educate girl child was launched in order to empower girl and to eliminate gender inequality. It is high time to aware people to save girl child. Girl child is entirely unsafe inside and outside the womb of Mother. At last Mrs. Rani Divekar madam say vote of thanks to Dr. Anjali Bhusare madam.

WASTE MANAGMENT

DATE: 26/01/2020

Waste management programme was conducted in college on 26 jan 2020.

VENUE: siddhant college of pharmacy, sudumbare

Waste management programme was conducted in siddhant college of pharmacy, sudumbare

OBJECTIVE: BE a part of solution not part of pollution.

Objective of Waste management programme was be a part of solution not part of pollution.

SUMMARY:

there are 3 types of waste manage in college are, solid waste ,liquid waste, e waste managment

College has manage the waste in such way that it is reused for garden as manure and which help us to make campus to go green.

There are 3 types of waste generated in the college as

1. solid waste Management
2. Liquid Waste Management
3. E Waste Management

Principal
Siddhant College of Pharmacy
Sudumbare, Tal.-Maval,
Dist.-Pune 412109.

1. Solid waste Management – Solid waste like paper, rapper, shipment, food waste from canteen ,tree leaves, cut branches are managed to one corner of the campus and to make manure.

Process of solid waste Management- Separation and segregation of solid waste from the college and keep it in decomposition area (which is located for decomposition in college) Give the layer of solid waste material, soil, and water one after other, and leave it for Decomposition. After some day manure is produced and this manure use for plants in the garden of college. Which help us to maintain green campus.

2. Liquid Waste Management-Liquid waste is collected through drain from each building individually. Liquid waste then collected to septic tanks, which has small pipe outlet as biogas excess slurry and sewage is collected as manure.

College has facility to collect waste liquid in the underground tank and it is simply cleared by the agencies which provide the cleaning vehicle .All liquid waste is collected from the line and stored in the tank.

3.E Waste Management-We arranged guess lecture time to time for awareness of e waste and reutilization of it or destruction of it.

Nowadays management of E waste is becoming the crucial point everywhere in the society. As we all using many device where we can found that material like lead and toxic substances are become big problem for the environment and as we are the most leading institution,throught we must arranged the E waste collection in the college and waste should removed from the environment of the college and must be send for the recycling of it or distraction of it .

SEMINAR ON WOMEN SAFETY

DATE : 03 MAY 2018

VENUE : SEMINAR HALL OF SIDDHANT COLLEGE OF PHARMACY

OBJECTIVE :

The Objective of this seminar is to make people aware of the issues related to women safety and reduced crime related women in country.

SUMMARY :

Seminar on women safety programe was arranged in seminal hall of sidhhant college of pharmacy, in this pr ograme 95 female and 50 male was present.

On this occasion Principal, Dr. R. K. Dumbre Sir was given the speech about Women Safety programme. He said that in spite of 70 years of Independence and social reforms, the problem of women safety is quite vulnerable in India. Molestation, female child abuse, female foeticide, low rate of enrolment of girls in schools and colleges, poor proportion of working women in private and Government run departments, rapes, physical assault, kidnapping, public harassment, against women are committed every hour. Tell a sorry state of women in India.

In short, crimes against women are stopping the growth of our country. We must not put the blame on women and ask them to be extra careful. Instead, we must ask the men to change their thinking and work to make the world a safer place for women. Women must be taught self-defence techniques.

On this occasion Our IQAC coordinator Dr. Swati Deshmukh Madam also present for women empowerment, she speak on the issues related to women safety. Safety of women in india has become a major issue in India now. The crime rates against women in the country

have only risen to a great extent. Women think twice before stepping out of their homes, especially at the night. This is, unfortunately, the sad reality of our country that lives in constant fear. Women in India have been given equal rights as men; however, people do not follow this rule. They contribute to the growth and development of our country; still, they are living in fear. Women are now on respected positions in the country, but if we take a look behind the curtains, we see even then they are being exploited. Each day we read about horrific crimes being committed against women in our country like it's a norm.

Not a day goes by where you don't hear of the news of a crime against women in India. In fact, there are at least five news articles that tell us about the horrific details of the various crimes. It is extremely painful to watch the status of women's safety in India, especially in a country where women are given the stature of goddesses. The list of crimes against women is quite long, to say the least. Acid attack is becoming very normal in various parts of the country. The criminal throws acid on the face of the victim to destroy their lives completely. Nonetheless, India has a lot of strong acid attack survivors who are battling for their lives and trying to lead their lives independently.

Furthermore, domestic violence and honor killings are very common. The wife stays in an abusive relationship because of the fear of society. The family kills their daughters in the name of honor to keep up with the reputation of their family. Similarly, female foeticide is yet another common crime. Due to the regressive thinking, people kill daughters before they are born. The list continues as crimes against women are on the rise. Other crimes also include child marriages, child.

At the end mam spoke about Ways to Ensure Women Safety, By Although the list of crimes is very long, we can take measures to ensure women's safety in our country. Firstly, the government must make stringent laws that ensure the punishment of criminals immediately. Fast track courts must be set so the victim gets justice instantly. This will serve as a great example for other men to not commit crimes against women. Most importantly, men must be taught to respect women from an early age. They must consider women as equals so they don't even think of harming them. When you consider someone inferior, you tend to oppress them. If this thinking goes away, half of the crimes will automatically end.

WASTE MANAGMENT

DATE : 26 January 2019

VENUE : Siddhant College of Pharmacy, Sudumbare.

OBJECTIVE :

Objective of Waste management programme was be a part of solution not part of pollution.

SUMMARY :

There are 3 types of waste manage in college are ,solid waste, liquid waste, E-waste management

College has manage the waste in such way that it is reused for garden as manure and which help us to make campus to go green.

There are 3 types of waste generated in the college as

- 1.Solid waste Management
- 2.Liquid Waste Management
- 3.E Waste Management

1. Solid waste Management – Solid waste like paper, rapper, shipment, food waste from canteen ,tree leaves, cut branches are managed to one corner of the campus and to make manure.

Process of solid waste Management- Separation and segregation of solid waste from the college and keep it in decomposition area (which is located for decomposition in college) Give the layer of solid waste material, soil, and water one after other, and leave it for Decomposition. After some day manure is produced and this manure use for plants in the garden of college. Which help us to maintain green campus.

Siddhant College of Pharmacy
Sudumbare, Tal.-Maval,
Dist.-Pune 412109.

2. Liquid Waste Management-Liquid waste is collected through drain from each building individually. Liquid waste then collected to septic tanks, which has small pipe outlet as biogas excess slurry and sewage is collected as manure.

College has facility to collect waste liquid in the underground tank and it is simply cleared by the agencies which provide the cleaning vehicle .All liquid waste is collected from the line and stored in the tank.

3.E-Waste Management : We arranged guest lecture time to time for awareness of e waste and re-utilization of it or destruction of it.

Nowadays management of E waste is becoming the crucial point everywhere in the society. As we all using many device where we can found that material like lead and toxic substances are become big problem for the environment and as we are the most leading institution,through we must arranged the E waste collection in the college and waste should removed from the environment of the college and must be send for the recycling of it or distraction of it .
