e –GOVERNANCE REPORT

Education is one of the most crucial elements in achieving the developmental goal of the country. Electronic governance, also known as e-governance in the use of information communication technology (ICT) in governance. E-governance is the most modern initiative to establish and implement good governance. E - governance system in the field of educational sector has changed the way of administration which make-the governance process user-friendly, time- and money-saving as well. E-Governance improves transparency, accountability, efficiency, and effectiveness of the governing process. It is an integrated solution in the education sector that helps in processing and maintenance of large volumes of information such as registration admission, student information, classes, time table, transport, attendance, library, salary expenses, examinations performance, grades, hostels, security reports, management, transport staff details and fee among various departments in an institution.

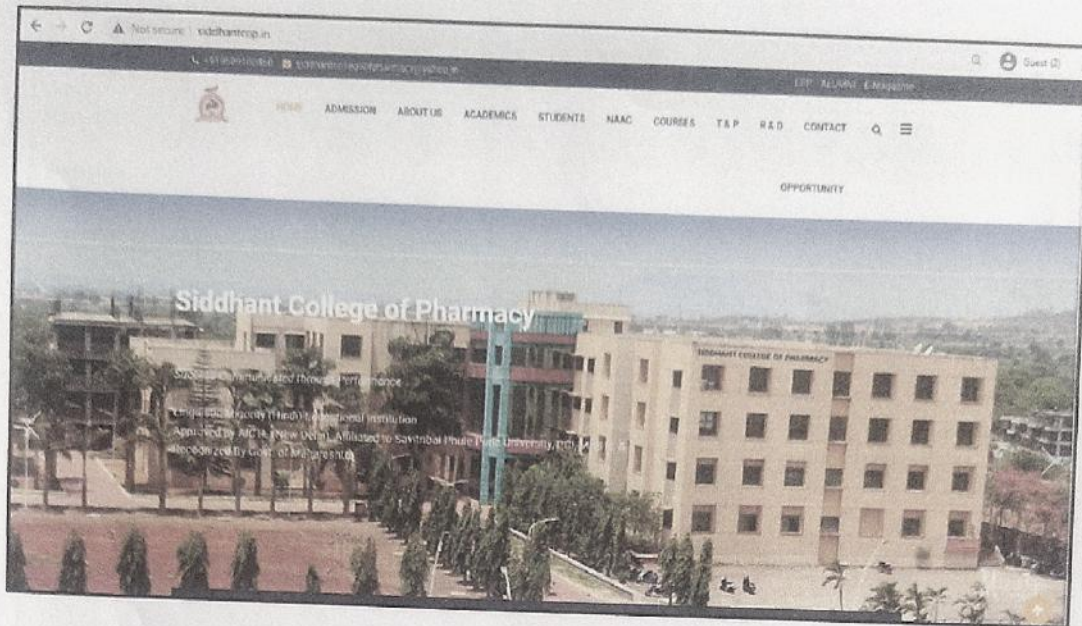

In order to implement efficient governance in an institution, it has been decided to use E-Governance in maximum activities of the institute. CAYMET Siddhant college of Pharmacy has already been implemented E- Governance in different areas of operations like, administration, student admission and support, account. examination and library, etc

Institute Website:

The website acts as the mirror of all college and creates organization's image in the society, CAYMET Siddhant college of Pharmacy has its official website as <http://siddhantcop.in>. A separate web designer service provider has been appointed who takes care of designing of website. A college website committee has been constituted. The members of committee submit the verified data to website committee in charge. Then in charge of website committee updates the data on website with prior permission from Principal. The institute website displays information related to organization, Vision and Mission, Institute staff and their profile, approvals and affiliations to various regulatory bodies, admission and admission process, course offered, academic calendar and Timetable, Student Support and activities, Training and Placement, Co-curricular and Extra-curricular activities, Infrastructure and facilities available etc.
