Green campus Initiatives

Institutional Initiatives:

- A Green Campus is a place where sustainable and eco-friendly practices are combined with education to promote sustainable and eco-friendly practices on campus.
- The green campus concept allows an institution to lead the way in redefining its environmental culture and forging new paradigms by developing sustainable solutions to the world's environmental, social, and economic requirements.
- Greening the campus include eliminating unnecessary inefficiencies and relying on conventional energy sources for everyday power demands, as well as proper trash disposal, the acquisition of environmentally friendly goods, and an effective recycling program
- Landscaping of the college is worth seeing and reflects aesthetic sense
- The institution has a medical garden that keeps the surrounding area pollution-free and provides oxygen, maintaining health of the public
- The institute has a canopy of trees and plants to make the environment pollution free to safeguard the health of all the inmates
- The lawns and the trees provide shade and a beautiful ambiance.
- The institution believes in paperless communication and uses electronic means of communication as part of its green campus program.
- Mail or WhatsApp are typically used for communication, which reduces the need for paper and promotes environmental preservation.
- To promote environmental sustainability, college faculty members practice carpooling
- The institutes believe in environmental sustainability and promote it by displaying it on college notice boards so that the values at well imbibed by the students.

SWACHHTA PLEDGE

Mahatma Gandhi dreamt of an India which was not only free but also clean and developed.

Mahatma Gandhi secured freedom for Mother India.

Now it is our duty to serve Mother India by keeping the country neat and clean.

I take this pledge that I will remain committed towards cleanliness and devote time for this.

I will devote 100 hours per year, that is two hours per week, to voluntarily work for cleanliness.

I will neither litter nor let others litter.

I will initiate the quest for cleanliness with myself, my family, my locality, my village and my work place.

I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen.

With this firm belief, I will propagate the message of Swachh Bharat Mission in villages and towns.

I will encourage 100 other persons to take this pledge which I am taking today.

I will endeavour to make them devote their 100 hours for cleanliness.

I am confident that every step I take towards cleanliness will help in making my country clean.
