## SC/ST Cell (Academic year 2025-26)

India is a country with multiple religion, caste and culture. However, the Indian Society is characterized by a highly-entrenched system of social stratification. Social inequalities some times led to denial of access to materials, cultural and educational resources to the disadvantaged groups of societies. Higher Education is a platform for social and economic equality. The college has constituted SC/ST Committee as per Constitution of India under the provisions of Article 341 and 342 of the Constitution Article 16(4) with a promise to help in eliminating such social disparities. The following Committee has been constituted to look after any complaints of discrimination received from SC/ST students/teachers/nonteaching staff of the college at any point of time.
